Policy on Guest Night-Out of Shelter

At any time when the shelter is at capacity and/or has an active wait-list, any guests that stay out of the shelter between curfew and 6:00 am without approval from management, will be asked to leave the shelter and re-apply. This will allow for the individuals on the wait-list to be admitted. Any guests discharged in this situation will be placed in the back of the line for re-admission. Re-admission is not guaranteed and the wait time may vary depending on the time of year and demands for shelter.
